

Toronto Chapter of the Huntington Society of Canada

Come join a great group of people and make a difference for an important cause!

The [Toronto Chapter](#) of the Huntington Society of Canada is recruiting Executive members. The Chapter was formed in 1997 and is part of the HSC. The Chapter Executive is made up of a group of volunteers in the Greater Toronto area that have been affected by HD. The Chapter raises awareness, shares information and resources with the Toronto HD community, and fundraises for research and support services.

The Role of the Toronto Chapter is to:

- Support the goals of the Huntington Society of Canada
- Actively communicate and share information with the Toronto HD community via email bulletins, Facebook, our website and via social events
- Link with families impacted by HD in the Toronto area
- Engage in several fundraising events each year
- Seek to increase awareness of Huntington's Disease in the GTA

The Role of the Chapter Executive is to:

- Plan and support the work of the Toronto Chapter
- Participate in regular meetings of the Toronto Chapter
 - Business meetings are held via conference call 6 times per year. Meetings typically last for two hours, and are held in the evening.
 - Two face-to-face social meetings are also held, normally in December and June on the weekend
- Support Chapter communication activities
- Support Chapter fundraising and awareness initiatives

The benefits of volunteering with the Toronto Chapter:

- Meeting a great group of people who care deeply about families impacted by Huntington's Disease
- Learning about local, provincial and national information and events occurring in the HD community
- Be part of a dynamic and creative Chapter with an important mission
- Support an organization that is part of making a difference and supporting the Huntington's Disease community in the Toronto area
